

ADMISSIONS MIM

As an EDHEC Business School Master in Management student, you should keep in mind that admission decisions are made on the basis of your overall profile as reflected in the application pack. Successful MiM candidates come from a wide range of education backgrounds and experiences. They also display distinguished academic excellence, strong analytical skills, interpersonal competencies, international awareness, have proven motivation to undertake the programme, the capacity to make significant contributions to EDHEC Business School's learning environment, and the potential to succeed as professionals, managers and leaders in the related field of study. The Selection Committee relies heavily on profiles, motivation letters, recommendation letters, and CVs.
